

JEFFREY W. YEARY

Field Operations Manager

INDUSTRY EXPERIENCE

17 Years

EDUCATION

B.S., Building Construction and Contracting—Purdue University, West Lafayette, IN

PROFESSIONAL EXPERIENCE

As Field Operations Manager, Mr. Yeary is responsible for planning, directing and coordinating work for all of Banning Engineering's field services. He budgets, schedules and ensures projects are completed properly and efficiently. Being in charge of field safety, he conducts frequent safety meetings to discuss awareness or concerns about being compliant. Some of his general duties include scheduling, budgeting, construction calculations, utility and contractor coordination, equipment maintenance/training and employee reviews.
