

SURVEYING TECHNOLOGY
Summer Camp 2022

JUNE 1, 2, 3
 Wednesday - Friday

Outreach Opportunity - High School Students!

Entering Grade 10, Fall 2022 through Graduating Grade 12, Spring 2022

You're invited to participate in networking opportunities with up-and-coming surveying students during the Surveying Technology Summer Camp!

This provides opportunities for your company to "grow" a future employee from your own backyard or make early connections with students who are interested in surveying. Campers will learn basic field and equipment operation procedures and could be productive interns by the completion of the camp.
